## *About Us*

The chamber's ultimate goal is to create economic development. It believes that an educated workforce is a more productive workforce and that ultimately makes Valencia County a great place to start a business or attract existing companies.

HCVC holds it's "World's Largest Matanza" each January as a way to raise money to provide college scholarships to Valencia County college students. To date, the event has raised more than \$130-thousand dollars in scholarships and helped more than 200 students meet part of their financial needs.

# TOME' Hill

If you are in Valencia County, New Mexico on Good Friday, you may be surprised as to what you see. Thousands of Valencia County families and friends making their way to Tome Hill.

As one of the highest points in Valencia, Tome Hill has attracted the attention of people in the area. The pilgrimage on Good Friday is open to everyone and is a great way to spend the brisk fresh morning reflecting on thoughts, family, and friends.

Many residents walking along the highway will walk fifteen to twenty miles to reach the hill and work their way to the top. Some residents who do not make the pilgrimage will set up water stands, hand out food, fruit, and edge the walkers to continue on.

As you start to make your way to the top of the hill, you will see small shrines, rosaries, and some hand made crosses that people have left as an offering. At the top of the hill the beautiful landscape of the county and the amazing tree lined river will take you to another level.

As you start down the hill, not only will you have experienced a yearly pilgrimage, but you will have witnessed one of the most wonderful cultural experiences in the area. This event is a chance to see the many layers of culture and landscape Valencia County has to offer.

# Special Orchestra®

So far, this performance season has been among our best, including shows in Santa Fe and Farmington, the NM State Fair, our 23<sup>rd</sup> annual Masquerade Ball, along with regular music sessions and continuing ZOOM music too! Little by little, we are coming back from being impacted by the recent years of Covid restrictions. All are invited to our annual Bar-B-Q show scheduled for Saturday May 27<sup>th</sup>, at the La Joya Music and Nature Retreat and Thimble Theater in Socorro County. Stay tuned: [SpecialOrchestra.org](http://SpecialOrchestra.org) and at Facebook (Special Orchestra) for developments. Thanks always, to our ANGELS who make it all possible - we'll see you soon!

Since 1999, Special Orchestra has been helping children and adults with developmental disabilities, world-wide, to share in the joy of making music. From being featured performers at the global Special Olympics in Ireland, to performing for dedications of the New Mexico Rail Runner train, the group has delighted audiences, using adaptive techniques developed right here in NM. Founder and artistic director *Gair Linhart* leads the group in original compositions such as *Everything That You Feel!* and the *New Mexico Waltz*. Experience it all, and access (at no charge) special music methods at: [www.SpecialOrchestra.org](http://www.SpecialOrchestra.org). Videos, including the instructional *Start a Special Orchestra*, are also viewable on *YOUTUBE*. You can find us on *Facebook* too: *Special Orchestra*. With the ongoing support of you, our angels, *Special Orchestra®* can continue to make available, accessible music-making techniques everywhere!
